

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Council Discussion/Decision Re: Cancellation of September 21, 1994 Council Meeting

MEETING DATE: September 7, 1994

PREPARED BY: City Attorney

RECOMMENDED ACTION: Council direction.

BACKGROUND INFORMATION: The Annual Conference of the Northern California Power Agency (NCPA) is presently scheduled for September 21-23, 1994. This conflicts with the regular meeting of the Council which would otherwise be held on Wednesday, September 21, 1994.

At present, it is uncertain how many Councilmembers will be attending the NCPA Conference. In order to facilitate planning by staff and provide appropriate notice to the public, a collective decision of the Council as to whether the September 21 meeting is to be cancelled is requested.

FUNDING: Not Applicable.

Respectfully submitted,

Bob McNatt
City Attorney
